

All I Need

Anfa Rose

I'm the type to get shit done
You the type to observe
March Madness on my speakers
But today's November 23rd
Got something loud in the blunt, yeah
I do and say what I want, yeah
Probably somewhere sunny getting tan
Foreign women in the sun, yeah

That's all that I need (All that I need)
That's all that I need
That's all that I need
Got my brothers with me (Forever)
Got my brothers with me
And my momma's healthy (Oh)
That's all that I need (All that I need, yeah, yeah)
That's all that I need (All that I need, yeah, yeah)
