

I'm tryna get it poppin in the pool baby  
Why don't you go show me all your moves baby  
Show me what it do baby  
I've been on the move baby  
I was hoping just because I'm with you baby  
Imma do the most baby  
We could break the rules baby  
We could show these lames what it do baby  
Just because I'm with you baby  
You know why I do it baby  
I don't have a clue baby  
They don't have a clue baby  
They don't know my moves baby

Usually I'm on the low  
Everything on the low  
Everything on the low  
But tonight Imma put on a show  
Imma put on a show  
We gone put on a show

My lil bad one  
With you now and after  
We gone get it poppin in my cabana  
[?] bad one  
Say you were mine for the weekend baby  
We gone get it poppin in my cabana

Bottle to the head you know I'm head strong  
Giddy like a baby and your legs long  
This is not a sex song  
This is get you wet song  
This is not a loving in the bed song  
This gone get you wet song  
This gone be your flex song  
And you gone get your flex on  
Show 'em you the best one  
Make these bitches sweat some  
And I don't have a clue baby  
They don't have a clue baby  
Show me all your moves baby

Usually I'm on the low  
Everything on the low  
Everything on the low  
But tonight Imma put on a show  
Imma put on a show  
We gone put on a show

My lil bad one  
With you now and after  
We gone get it poppin in my cabana
