

Chances

Anfa Rose

Somewhere in the middle, got a lot of time I spend
I don't really fuck around too many, I can bag a dime a day
Somewhere in the middle, got a lot of time I spend
I don't really fuck around too many, I can bag a dime a day
Feel like, might not be, the right one (The right one)
Rather find her when the time come (The time come)
'Cause I'm enjoying what I wanna, when I wanna
So why would I wanna jeopardize it? (Yeah yeah yeah)

Chances are said I'll see you
Chances are there's more to me and you than just me and you
Chances are you'll get even
Chances are there's another me and you in the sequel

Chances on chances (Chances on)
Lie to me, lie to you, equal (Equal)
Backwoods on backwood (Backwoods on)
Confide in me, find your truth, oh
Feelings in the way (Feelings in the way)
I can feel the way (I can feel the way)
I was in the job back in Benz on the way the to other day
Calling on the day (Calling on the day)
Fucking on the daily
I don't want fall in any love, no, but

Chances are said I'll see you
Chances are there's more to me and you than just me and you
Chances are you'll get even
Chances are there's another me and you in the sequel

Aw-aw-aww yeah
Leaving enough (Aww yeah)
Lies in the wind (Aww yeah)
Hiding yourself (Aww yeah)
Hiding your way (Aww yeah)
My mistake (Aww yeah)
Bags in the whip (Aww yeah)
Leaving enough (Aww yeah)
Aw-aw-aww yeah
Leaving enough (Aww yeah)
Lies in the wind (Aww yeah)
Hiding yourself (Aww yeah)
Hiding your way (Aww yeah)
My mistake (Aww yeah)
Bags in the whip (Aww yeah)
Leaving enough (Aww yeah)

Chances are said I'll see you
Chances are there's more to me and you than just me and you
Chances are you'll get even
Chances are there's another me and you in the sequel

Aw-aw-aww yeah, aww yeah, aww yeah, aww yeah
Aww yeah, aww yeah, aww yeah, aww yeah
Aw-aw-aw
