

## Come Clean

Anfa Rose

Let me come clean  
I've been down in the dirt  
Don't get caught on the details baby  
But I been the worst

I said I'm down to die for you like  
Been around like 3 or 4 tonight  
Usually I'm more the loyal type  
But I've been sitting on the boarder line  
Temptations on my mind  
Impatient all the time  
She ask me do you mind  
Close my eyes love is blind  
I know lately shit been looking Rocky Balboa  
Ducking on the daily acting like I don't know ya  
Truth is I just can't fess up to what I been doing  
They say if the shoe fits, now it's time to try to show 'em

Let me come clean  
I've been down in the dirt  
Don't get caught on the details baby  
But I been the worst
