

Doja Interlude

Anfa Rose

When you wake up
Put your best dress and heels on
Forget the make up, mm
Enjoy your day but
I've got to leave, some things need doing
But I'll see you later, oh, mm

Hit you when I'm on my way home
Just checking up on you, are you alone?
Meet me at the door and you're naked
I can hear my favourite record

Roll the doja
Keep the door shut
Can barely see you
Through all the smoke

I feel exposed but
I think I like it
Just pull me closer
And tell me lies
