Check my status (humdullilah)
Check my location (just left Dubai)
I'm in Paris (Franc-Moisin)
Off the hash (woah woah)
Check my cataracts (woah woah)
Behind the mask (woah woah)
Fendi glassess (woah woah)

She got assets (oh yeah she do)

Cross the atlas (touching down)
Plugged all over (just ask around)
Check the passport
