

Pick Up

Anfa Rose

Woke up on the wrong side
You know that feeling inside
Yeah my timing a lil off
Fix me a wine to get right
No this ain't what it used to be
It's gon' take some time to get used to
Get used to this new me

Old ways, I retired that
Old friends, I retired that
Old girl, I retired that (old girl, I retired that)
Jealousy got 'em fire back
I ain't going back like no chiropractor but they wanna

Pick up where we left off but I'm not him, I done ran off
Wanna pick up where we left off, wouldn't recognise me with the
mask off
Pick up where we left off but I'm not him, I done ran off
Wanna pick up where we left off, wouldn't recognise me with the
mask off

Picture me a better man
I've been through so many things
Don't hate me, just understand
Don't talk to me condescending
I told you I had a plan
Executed it well
Now my sales up I set sail

Old ways, I retired that
Old friends, I retired that
Old girl, I retired that (old girl, I retired that)
Jealousy got 'em fire back
I ain't going back like no chiropractor but they wanna

Pick up where we left off but I'm not him, I done ran off
Wanna pick up where we left off, wouldn't recognise me with the
mask off
Pick up where we left off but I'm not him, I done ran off
Wanna pick up where we left off, wouldn't recognise me with the
mask off
