

STILL GOT IT

Anfa Rose

I've been on top of your list
And you know I'm well aware
I just popped me a pair
Oh Yeah

Whisper in my ear
Got a nice ring too it
Both got someone else
Can't do it like we do
Sweat run down your back
On your body
Got you soaking wet
Keep you soaking wet

Don't let me land
We touch the sky
Went hand
In hand
Even when you're with him
You still know I got it
You still know I got it
You still know I g...

That bitch want me for my soul
Hurt for me to let you go
But if you thinking bout me let me know
Girl if you really want me let it show
Tell me its love baby gas me
Santa Monica penthouse you fancy
I ain't boujee pull up in a taxi
She off the coke and she blasted
Tryna come through the mansion
Said that she ready for action
I like my bitch nasty

Whisper in my ear
Got a nice ring too it
Both got someone else
Can't do it like we do
Sweat run down your back
On your body
Got you soaking wet
Keep you soaking wet

Don't let me land
We touch the sky
Went hand
In hand
Even when you're with him
You still know I got it
You still know I got it
You still know I g...

You've been missed tonight
No more mister nice
Put my heart on ice
Put my drink on ice

Tell me what's really on your mind tonight
Disappear reappear
Heard you got someone else
But you here and he ain't here
And now you on the fence
Oh now I understand
Said you want more then friends
Said you want S & M

Whisper in my ear
Got a nice ring too it
Both got someone else
Can't do it like we do
Sweat run down your back
On your body
Got you soaking wet
Keep you soaking wet

Don't let me land
We touch the sky
Went hand
In hand
Even when you're with him
You still know I got it
You still know I got it

Don't let me land
We touch the sky
Went hand
In hand
Even when you're with him
You still know I got it
You still know I got it
