

Talented

Anfa Rose

You're true colours
Show me
Don't be shy
Don't be shy
You're true colours
They're so deep
Ooh, I like
Ooh, I like
I could watch you on the stage for hours
Panties getting ate, devoured
So much shit I'm back confronting
Fucked around and changed my high

'Cause I've been sipping all damn day
And I got too high before I came
And now I'm tweaking, need another drink
Now I'm tipping as long as you stand right there
I've been sipping all damn day
And I got too high before I came
And now I'm tweaking, need another drink
Now I'm tipping as long as you stand right there

Ohh, you're so talented
That's old news, I know, I know, I know, I've been off road, I'm good at vanishing
Coming up
Ohh, you're so talented
Put on a show, uh-oh, I'm front row, got my attention like you planned this shit
Almost fucked

'Cause I've been sipping all damn day
And I got too high before I came
And now I'm tweaking, need another drink
Now I'm tipping as long as you stand right there
I've been sipping all damn day
And I got too high before I came
And now I'm tweaking, need another drink
Now I'm tipping as long as you stand right there

Ohh, you're so talented
