Thirsty

Anfa Rose

I feel that thirst for me
But this ain't a first for me
I know you heard from me, you
Hit me up
2pm, asking what imma do tonight
I give you plans, you ain't reply shit
What we doing
I ain't hit you back in a minute, I was fooling
Now you ain't hit me back, damn shit that
Was foolish
Who you with, I don't know
All I know is I ain't gotta trip
You gon hit me up in a little bit
3am what I'm doing, where I'm at
Who I'm with, pull up google maps
Third uber ride in two hours
Oh that shit be going back to back
Act like you don't know what's going on
Act like you don't know why you called
But when I pull up got them panties off
You just moisturized, yeah that booty soft
Ay

Thirsty I feel it forreal
(Uhh pull up on a kid)
Call go through, I'm on you
I'll sleep here, I'll hold you
You want me, I want you
Thirsty I feel it forreal
(Uhh pull up on a kid)
Call go through, I'm on you
I'll sleep here, I'll hold you
You want me, I want you

Ducking all the time
You been on my mind
We've been wasting time
Need to quench that thirst real quick
And I respect a woman
But tonight I'm on my hood shit
Yeah I'd never call you bitch
But I call you my bitch, ay
Phone blowing up
Yeah I'm supposed to be somewhere else right now
Cause I ain't never been the type to make two plans
Just incase one falls through
Let me know right now if you supposed to be with
Somebody else right now
And if that's true lets hope he don't call you
(Cause I been uh)

Thirsty I feel it forreal
(Uhh pull up on a kid)
Call go through, I'm on you
I'll sleep here, I'll hold you
You want me, I want you
Thirsty I feel it forreal

(Uhh pull up on a kid)
Call go through, I'm on you
I'll sleep here, I'll hold you
You want me, I want you
