Why you not answering?  
He seem like like a problem, problem  
If yuh think say a man stallin'  
Excuse me, beg your pardon  
I'm in too deep, I'm on it  
Goin' all out

For you, I'm bad  
I can't hold it down, now  
I think I love you already  
No goin' back  
For you, I'm bad

Long time fi ya sun shine over you

And if I fight over you, it ah go shell and turn  
It's like...

You'll be my Ashanti, let me rule it  
Gon' pop, baby, Imma rule it

You'll be my Ashanti, let me rule it

Maybe I'm delusional (Ohhh)  
Business as per usual  
This is automatic  
And damn I gotta have it

Why you not answering?  
He seem like like a problem, problem  
If yuh think say a man stallin'
