

Falling

Angel

Woo!

I thought about us
Me, you and I falling
Can't even wait
Ooh, girl, I've been calling
Do-do-do
You and I falling
Baby, let's make love
Girl, I've been calling
You see me calling
Baby, I'm falling
You see me calling
Baby, I'm falling

See us men only rarely talk about
How much girls on the go is laughable
Like the sex isn't really thought about
We did bits just to ... it all about

Not once that I met a couple gyala
Always on my phone, no, I should've known better
Promise you the world, but I never do better
Them a love loss if you leave me, don't let a

I thought about us
Me, you and I falling
Can't even wait
Ooh, girl, I've been calling
Do-do-do
You and I falling
Baby, let's make love
Girl, I've been calling
You see me calling
Baby, I'm falling
You see me calling
Baby, I'm falling

Out in Hollywood, got your phone off the hook
Know I gave you what I could, when you left, I said it's good
Left my drugs at your place, you can have them anyway
Throw that shit up in the woods, please don't beat around the bush
Chaz Money be wildin' on fantasy
These niggas ain't matching my energy
I'm really 'bout action, no actening
Niggas be capping, no capping
Put my foot in the powder when I'm trappening
So money always on me
You better believe me
You know that you need me

I thought about us
Me, you and I falling
Can't even wait
Ooh, girl, I've been calling
Do-do-do
You and I falling

Baby, let's make love
Girl, I've been calling
You see me calling
Baby, I'm falling
You see me calling
Baby, I'm falling
