

# Fly

# Angel

Baby, all I do is fly, on some shit  
I don't even need a ride, I got whips  
Tell your man to step inside or hop in  
Yeah, take you on a ride, say you wanna vibe  
Girl, you working, I can fly on some shit  
Girl, you know you can't deny, I got it  
Tell your man to step inside, girl, you know I ride  
I be acting suicide on some shit

Yeah, come stay with a mad man  
Come stay with a nutter (with a nutter)  
Babe, man's just like that  
I'm straight from the gutter (trust)  
Beat the pussy up one time, I'm game for another  
I came for the butter (yeah, yeah, yeah)  
Butter for the bread (bread)  
I wanna hit it from the back (back)  
So get your butt up off the bed (yeah)  
I gotta get up on the yap  
I hit my brudda for the meds (yeah)  
And when I hit her with the stance  
She knows somethin' I got dead (uh)  
Man's just workin' and that's just worth it (just worth it)  
Pussy good, this man just works it (yeah)  
Man just doctor, man just nurse it (nurse it)  
Pussy good, man just worships (jheeeze)  
Man's ratin' it highly (highly)  
Came with that stylo G  
Man came with a stylie (nah)  
Man popped up in that DM  
And gave it a smiley (jheeeze)  
Then gave it to Haile

Baby, all I do is fly, on some shit  
I don't even need a ride, I got whips  
Tell your man to step inside or hop in  
Yeah, take you on a ride, say you wanna vibe  
Girl, you working, I can fly on some shit  
Girl, you know you can't deny, I got it  
Tell your man to step inside, girl, you know I ride  
I be acting suicide on some shit  
Yeah, yeah, all of my hoes now

I'm just flexin', I'm flexin', just glad that you know now  
Yeah, you know now  
When I'm all up on you, girl, you tell me to slow down, slow down  
You come alive when I tell you to go down, go down  
Yeah, WSTRN night and I'm textin'  
Got the night ting buried in the west end  
She just wanna go to the hotel  
I just wanna chat to the bedrin  
All fresh white when I stepped out  
Stepped out late 'cause I slept in  
Paparazzi tryna get a photo  
I know they wanna know what's up

Baby, all I do is fly, on some shit

I don't even need a ride, I got whips  
Tell your man to step inside or hop in  
Yeah, take you on a ride, say you wanna vibe  
Girl, you working, I can fly on some shit  
Girl, you know you can't deny, I got it  
Tell your man to step inside, girl, you know I ride  
I be acting suicide on some shit

She so certified (check, check, check)  
I hit the racks and Louis bag (okay)  
And I just got off the plane (plane)  
I was grindin' in the rain (rain)  
She just hopped outta the Range (she wanna)  
So I drop top lemonade (mmm)  
With a lil bit of ice (ice)  
Watch the race  
Oh, that shit not nice  
Oh, that shit not nice  
Yeah, I said it twice  
Heard they want a verse  
They go, "What's the price?"  
I'm flexin', she lookin' fleeky  
Called her up in my mahiki  
She all blondie like Dede  
Took her to the hood and showed her my GG

Baby, all I do is fly, on some shit  
I don't even need a ride, I got whips  
Tell your man to step inside or hop in  
Yeah, take you on a ride, say you wanna vibe  
Girl, you working, I can fly on some shit  
Girl, you know you can't deny, I got it  
Tell your man to step inside, girl, you know I ride  
I be acting suicide on some shit

Hello, your call cannot be taken at the moment. So please leave your message  
after the tone  
"Hey, I just realised, I um, probably should really make up. [?] hahah, yeah  
. I kinda don't care but, I do. Um, I gotta go to work. So, I hope you have  
had an amazing day and I know, I'll probably message you after work. Hahaha.  
Bye."
