

No Flutes

Angel

If you ain't really 'bout it, you should stop and get a 9 to 5 (5)
When some niggas pull up on you, that's when you gon' change you mind
Mask off, mask off, no flutes
You know my niggas gon' shoot (gon' shoot)
So mask off, mask off, no flutes
You know my niggas gon' shoot (gon' shoot)
You know my niggas gon' shoot

I was young and [?] comin' up only 17
38 when we travel late that was my machine
Runnin' up, not no runner up, just me and couple G's
Trappin' up listening to Michael on some Billie Jean
I've been very keen
Had to flip it up for my momma now I'm very clean
On some Hennessy
Had to flip it up for my momma now I'm very clean

Quit spending most your life
Livin' in a gangsta's paradise
Untill you see the light
You'll be stuck in gangsta's paradise
Quit spending most your life
Livin' in a gangsta's paradise
Untill you see the light
You'll be stuck in gangsta's paradise

If you ain't really 'bout it, you should stop and get a 9 to 5 (5)

Mask off, mask off, no flutes
You know my niggas gon' shoot (gon' shoot)

You know my niggas gon' shoot (gon' shoot)
So mask off, mask off, no flutes

Wavy, wavy, wavy, look at me (oh yeah)
I been goin' brazy, yeah (skrr)
Upgraded to an i8 traded my Mercedes
Now when I [?] my doors go up
I was never lazy, I just worked my way up to the top
Bitch I'm finally famous (yeah, finally famous, yes I'm finally famous)
Had to make some changes, got my whole family livin' good
All it took was patience (all it took was patience)
Everyday vacation, even though I made it out the hood I'm still yellin' gang
shit

Quit spending most your life
Livin' in a gangsta's paradise
Untill you see the light
You'll be stuck in gangsta's paradise
Quit spending most your life
Livin' in a gangsta's paradise
Untill you see the light
You'll be stuck in gangsta's paradise

You know my niggas gon' shoot

Hol' up, hol' up, hol' up, hol' up
Pull up bang, bang
Yell out gang, gang
Pull up bang, bang
Yell out gang, gang
(You know my niggas gon' shoot, gon' shoot)
Pull up bang, bang
Yell out gang, gang
Pull up bang, bang
Yell out gang, gang, gang, gang, gang
(So mask off, mask off, no flutes)
It's Eazy, yeah
Yeah, yeah, yeah, yeah
This gon' be your favorite song
Aow, yeah

Hi babe
I know you're crazy busy
And you're watchin' at the moment forever
I don't know but this couldn't wait 'til I saw you later to tell you
Forever, I'm pregnant
