

Nothing Wrong

Angel

I don't see nothing wrong (no, no, no baby)
If you wanna come tonight
Bring them PJ's you can stay tonight
I got ladies callin' all the time
But they ain't got nothin' on you (no, no, no baby)
(Oh no, no, no baby)
Oh can't you read between the lines
They just mad I'ma make you mine, oh baby

Girl if I was you (girl if I was you)
I'd tell them niggas see you later 'round with you
So why you actin' like you don't know what to do?
You ain't even gotta front, my baby

Picture makin' love all night (whoa, yeah)
Fuck you with no rubber, girl I might, yeah
Skippin' on the d-low
Just as long as we know

I don't see nothing wrong (no, no, no baby)
If you wanna come tonight
Bring them PJ's you can stay tonight
I got ladies callin' all the time
But they ain't got nothin' on you (no, no, no baby)
(Oh no, no, no baby)
Oh can't you read between the lines
They just mad I'ma make you mine, oh baby

Oou, baby, I, baby
When I hit the G spot, you might have my baby
Wakin' you up in the night, baby I know what you like
Maybe I might, beat it then roll up the weed
Now you can turn off the light

Picture makin' love all night
Fuck you with no rubber, girl I might, yeah
Skippin' on the d-low
Just as long as we know

I don't see nothing wrong (no, no, no baby)
If you wanna come tonight
Bring them PJ's you can stay tonight
I got ladies callin' all the time
But they ain't got nothin' on you (no, no, no baby)
I don't see, I don't pl- no I don't see

Oh can't you read between the lines
They just mad I'ma make you mine, oh baby
