

## After the Rain

Angel City

Who lies on sheets of ice  
Who pays for paradise  
After the rain  
After the rain  
Who suffers fools and freaks  
Who hangs in guilty cliques  
After the rain  
After the rain

Somebody save me  
The water's rising  
Sweet Jesus take the blame  
Who knows whose star is falling  
After the rain  
After the rain

Who took the gold from their teeth  
Who takes the ancient masterpiece  
After the rain  
After the rain  
Who throws the winning dice  
Who lies beneath the ice  
After the rain  
After the rain

Somebody save me  
The water's rising  
Sweet Jesus take the blame  
Who knows whose star is falling  
After the rain  
After the rain

(Solo)

Somebody save me  
The water's rising  
Sweet Jesus take the blame  
Who knows whose star is falling  
After the rain  
After the rain

After the rain  
After the rain  
After the rain
