

Am I Ever Gonna See You

Angel City

Went down to santa fe, where renoir paints the walls,
described you clearly, but the sky began to fall
Am i ever gonna see your face again?
Trams cars and taxis, like a wax-works on the move
carrying young girls past me, but none of them are you
Am i ever gonna see your face again?
Without you near me i got no place to go
wait at the bar, maybe you might show
Am i ever gonna see your face again?
I got to stop these tears that's falling from my eye
go walk out in the rain, so no one sees me cry
Am i ever gonna see your face again?
Can't stop the memory that goes climbing through my brain
i get no answer so the question still remains
Am i ever gonna see your face again?
