

Marseilles

Angel City

Bought me a box of french cigars
Bought me a black beret
Get my french from a girl next door
Teaching me night and day
Got me thinking `bout the south of France
Vis-a-vis vous
Pack my suitcase, take a chance
Got nothing to lose

Gimme the sound of the rolling dice
Gimme a whiskey, don't think twice
Deal me the card that takes my blues away
Take me away to Marseilles

Fast train, jet plane, money to burn
Don't ask the reason why
Drinkin' champagne, playin' it cool
Don't even have to try, baby

Gimme the sound of the rolling dice
Gimme a whiskey, don't think twice
Deal me the card that takes my blues away
Take me away to Marseilles

Take me away to Marseilles

Fast train, jet plane, money to burn
Don't ask the reason why
Drinkin' champagne, playin' it cool
Don't even have to try
I'm still thinkin' bout the south of France
Vis-a-vis vous
Pack my suitcase, take a chance
Got nothing to lose

Gimme the sound of the rolling dice
Gimme a whiskey, don't think twice
Deal me the card that takes my blues away
Take me away to Marseilles
Take me away to Marseilles
M-m-m-m Marseilles
Take me away to Marseilles
