

## Marching for Revenge

Angel Dust

To bring it to an end  
Fighting for my rights  
Fighting to cut my ties  
It's time to start my life anew  
I have my own schemes I don't need your rules  
Unlimited freedom will never exist  
But after your patter I don't wanna live  
I must do what you demand from me  
You give me (the) orders - and I have to obey  
(But) I'm not the only one who hates to live that way  
Time has come for us to break the chains  
Marching for revenge  
To bring it to an end  
Fighting for our rights  
Fighting to cut our ties  
I don't wanna live without a future and aim  
I make my own rules just for my own game  
I don't care what you think about this  
It's just my own game I don't wanna miss
