

## Born 2 Run

Angel Du\$ť

Never win  
Heart is in young grave  
Born to run away  
Houses burn in big flames  
Houses burn in big flames (born to run away)  
Houses burn in big flames (born to run away)  
Houses burn in big flames (born to run away)  
Houses burn in big flames

Wanna let you inside now  
But it's so funny  
Wanna let you inside (wanna let you inside)  
Wanna let you inside  
Wanna let you inside now  
But it's so funny  
Wanna let you inside (wanna let you inside)  
Wanna let you inside (wanna let you in)

Never win  
Heart is in young grave  
Born to run away  
Houses burn in big flames  
Houses burn in big flames (born to run away)  
Houses burn in big flames (born to run away)  
Houses burn in big flames (born to run away)  
Houses burn in big flames

(Wanna let you in)  
Wanna let you inside  
Wanna let you inside now
