

# Don't Stop

Angel Du\$t

Girl, it's just getting good  
Don't stop now  
'Cause it's just getting good  
Don't stop your love, girl  
Don't stop your love, girl, don't stop you-

I can't stop, my love is red-hot  
Can't no flame burn like my fire  
C'mon, little mama, give it all you got  
Can't no flame burn like my fire

Girl, it's just getting good  
Don't stop now  
Girl, it's just getting good  
Don't stop your love, girl  
Don't stop your love, girl, don't stop you-

I can't stop, my love is red-hot  
Can't no flame burn like my fire  
C'mon, little mama, give it all you got  
Can't no flame burn like my fire

Trust me  
It is done

I can't stop, my love is red-hot  
I can't stop 'cause can't no flame burn like my fire  
I can't stop, my love is red-hot  
I can't stop 'cause can't no flame burn like my fire  
I can't stop, my love is red-hot  
I can't stop 'cause can't no flame burn like my fire

Girl, it's just getting good (I can't stop, my love is red-hot)  
Don't stop now (I can't stop 'cause can't no flame burn like my fire)  
'Cause it's just getting good (I can't stop, my love is red-hot)  
Don't stop your love now (I can't stop 'cause can't no flame burn like my fire)  
I can't stop, my love is red-hot  
I can't stop 'cause can't no flame burn like my fire

Girl, it's just getting good  
Don't stop your love  
Girl, it's just getting good  
Don't stop your love, don't stop
