

Fear Some

Angel Du\$t

I don't know who I am, am I a boy or just a man
I said I fear no one, but I fear some
Fear some, fear some

Don't come crazy, confess I lost my baby
Where did I go wrong, tell her just the other
That we got no lover, I said it's been to long
She said "I feel the same"
I don't know who to blame, said I don't need no name
But I fear some, fear some, fear some

We're almost close to death
Living with regrets to fill your head
I've drawn in the sand
I did not have a choice they forced my hand
Now there is none, fear some

Fear some, everybody gonna, fear some
Every boy and every girl, fear some, fear some
