

# Headstone

Angel Du\$t

What's it gonna say on my headstone?  
What's it gonna say on my grave?  
What you gonna tell em at my wake?  
Memories keep spinning in my head  
Play it loud until I'm dead

What's it gonna say on my headstone?  
What's it gonna say on my grave?  
What you gonna tell at my wake?  
Memories keep spinning in my head  
Play it loud until I'm dead  
Your memories keep spinning in my head  
Play it loud, play it loud until I'm dead

Let it out inside a tune  
Let me go down inside a tune

What's in gonna say on my head...  
Memories keep spinning in my head  
Play it loud until I'm dead
