

In the Tape Deck

Angel Du\$t

Oh my lucky stars
Put me in the big seat
Of a fast car
Driving fast as fuck
I don't know where I'm going, but I got to go far
That's my favorite song
In the tape deck
It's a deep cut
You don't know what
I don't know where I'm going but I'm going fast as fuck

Time to take me home
I'm your passenger
I don't know where you were
But I know it's time to take me home
