

## Pacify Me

Angel Du\$ť

I see no light at the end  
I feel afraid I'm losing friends  
Time is short, I think I'll die  
I need something to pacify

Pacify me

Got so much fear inside of me  
Come on and pacify me  
Ease the troubles in my mind

Tell me lies, fill my head  
With promises you never meant  
Drown my fears, take my pain  
Fuck me until I go insane  
Because I don't want  
To be in love  
And I don't want to be alone

Shut up and pacify me  
Why won't you pacify me?  
You know you pacify me  
You ease the troubles  
In my mind
