

## Ready 2 Receive U

Angel Du\$t

It's been a long long long long  
A long time  
Imma go go go go  
Gonna make you mine  
Gonna make you mine

I said I'm ready to receive you  
Ready to receive you

My soul is turning black  
There's no no no no  
No coming back, no coming back

I said I'm ready to receive you  
Ready to receive you

I said I'm ready to receive you  
Ready to receive you

Ready to receive you  
I said I'm ready to receive you
