

Somebody Else

Angel Du\$t

Sick of my skin
I'm wearing thin
I hate myself

Everybody wants to be somebody else
Lost my cool trying to be like you
Lost my cool trying to be like you
Lost my cool trying to be like you
Lost my cool trying to be... like you

Sick of my skin
I'm wearing thin
I hate myself

Everybody wants to be somebody else
Lost my cool trying to be like you
Lost my cool trying to be like you
Lost my cool trying to be like you
Lost my cool trying to be... like you
Fuck you!
