

## Very Aggressive

Angel Du\$t

Very aggressive  
Cruel, a matter of fact  
To give love, take love, give love, take it back

Total emotion  
Puppet on string  
Give love, take love back, take everything

Throw my feelings on the ground  
Step on my heart again on your way out  
Throw my feelings on the ground  
Step on my heart again on your way out

Can't stop feeling  
Every feeling  
Can't stop feeling  
Very aggressive

The sound is offensive to me  
Very aggressive indeed  
The sound is offensive to me  
Very aggressive indeed

Throw my feelings on the ground  
Step on my heart again on your way out  
Throw my feelings on the ground  
Step on my heart again on your way out

Can't stop feeling  
Every feeling  
Can't stop feeling
