

# Ride Or Die

Angel

yeah yeaah yeah yeaah yeaah  
what the hell is happening ?  
all she did was give it to me once  
and now I'm back up in Dagenham  
like i had to hit the back again  
turned edgy on the cab man trying to beat the traffic in  
i can see whats happening  
she got me hooked like a brother on the pipe cracks back again  
I'm all upon in the flats no oxygen

Chorus

i think i better go back to my ride or die  
she's waiting at home  
i think i better go back to my ride or die  
she's waiting at home

I'm feeling so wack again  
no i couldn't resist  
i had to give it one last tap again  
return of the mac again  
one missed call and i'm asking where and when  
trapped in  
it's the pleasure principles so i'm guessing that i have to bend  
and my lady friend she's a ten

Chorus

but i'm still seeing that i need to go back to my ride or die  
shes waiting at home  
thinking that i need to go back to my ride  
g-g-go back to my ride, my ride  
she's waiting at home

Misha B

routine, another sweet nightmare  
eyes full of mist cos I dont wanna be here(no)  
how do i, where do i go?  
why o why cant i not say no?  
lost in it for a moment  
noone has spoken  
eye to eye we lie coz we both no we can never be coz she's your ride  
or die  
she's waiting at home  
go back to your ride or die  
she's waiting at home

ANGEL

girl i think i better go back to my ride or die  
(she's your ride she's right by your side)  
she's waiting at home  
i think i better go to my baby, she's waiting at home...
