

Why

Angel

I've been seeing this girl for a year
And I know that she thinks everythings going well
If only she could tell.
Don't paid no attention to me, only herself
Everything's all about her world
That's not what I deserves.

So now!
I'll make her see that I'm turning everything around.
Yeah and now, I'll make her see!
I'ma letting everything go crumblin down,
And there's nobody stopping me!

Oh, Why do I feel that this is all a mistake?
Our relationship is ain't working
And all I see is hurtin'
Why do I think it's a little too late?
Too be acting like you was
And you don't even love me yeah.
(Oooh, yeaah)
(Eyeahh, yeahh)
(Oooh, yeaah)
(Oooh, yeaah)
(Eyeahh, yeahh)
(Oooh, yeaah...)

Now you know how I'm feeling now that the timing has come.
No more biting my tongue
Now I'm all free to move on!
What the hell whatchu thinking
Tryna playin with my love?
Maybe you got some nerves.
That's not what I deserve.

So now!
I'll make her see that I'm turning everything around (around)!
And now, I'll make her see!
I'ma letting everything go crumblin down,
And there's nobody stopping me!

Oh, Why do I feel that this is all a mistake?
Our relationship is ain't working
And all I see is hurtin'
Why do I think it's a little too late?
Too be acting like you was
And you don't even love me yeah.
(Oooh, yeaah)
(Eyeahh, yeahh)
(Oooh, yeaah)
(Oooh, yeaah)
(Eyeahh, yeahh)
(Oooh, yeaah...)

Baby your the one who I ran a thousand miles
Highest mountains I will climb for you!
No I can't hold on (Hold on, hold on)
I'm letting you go...

(Oh why?) [x7]

Oh, Why do I feel that this is all a mistake?
Our relationship is ain't working.
And all I see is hurtin'
Why do I think it's a little too late?
Too be acting like you was
