

# Crazy for Him

Angela Bofill

Oo-oo, uh-huh-uh-huh

Somebody say a prayer for me 'cause I need it  
When I meet him, I just unfold  
All the words I plan never reach the man though I feel them  
I can't find him to save my soul

But I'm crazy for him  
I'm crazy for his tenderness  
I do believe I'm crazy for him  
And don't you know, I crave his kiss  
And I've got to tell him this

He's all I ever dream about when I'm sleeping  
When I'm working and when I play  
I can't see myself lovin' no one else, he's the real thing  
And in my mind, we've got it made  
Ooh

I'm crazy for him  
I'm crazy for his tenderness  
I do believe I'm crazy for him  
And don't you know, I crave his kiss  
And I've got to tell him this

'Cause fussin' and struttin' on the avenue  
Doesn't mean a thing, oh no  
You gotta take him, turn him on and shake him  
Get his heart to say, say, say, woo-oo-oo  
Ooh, I'm crazy for him

Crazy, crazy, crazy  
(Crazy for him)  
(Uh huh, uh huh)  
(Crazy for him, woo-oo)  
(Uh-huh, uh-huh)  
Woo-oo-oo

(Crazy for him)  
Crazy, crazy, crazy for his touch  
(Tenderness)  
Crazy, crazy, I love him very much  
(Crazy for him)  
Crazy, crazy, crazy for his kiss  
Crave his kiss, and I'm gonna show him this

(Crazy for him)  
I'm crazy, crazy, crazy  
Crazy for his tenderness, uh-huh-uh  
I do believe I'm crazy for him, uh-uh-huh  
And don't you know, I crave his kiss  
And I'm gonna show him this  
(Crazy for him)  
I'm crazy, crazy, crazy, crazy  
(Tenderness)  
Crazy, crazy, crazy for his kiss  
(Crazy for him)

Crazy, crazy, crazy, crazy  
(Crazy for him)  
Oh, no, no...
