Angela Bofill

You can turn it up
And you're looking at the fire
Get another cup
And the coffee gets you wired

Let the music play
And you're going to get inspired
And I'm on the way
'Cause I'm gonna take you higher

The perfect gift from me
And I knew you'd be surprised
Your favorite fantasy
You can open up your eyes
Open wide

Special delivery
I'm the package you've been waiting for
Special delivery
Wrapped up and tapping at your door

Open up, I'm tapping at your door

Got a lot to look
So I'm hoping to arrange it

No refunds and no exchanges
No exchanges

The perfect gift from me
And I knew you'd be surprised
Your favorite fantasy
You can open up your eyes
Open wide
