

The Only Thing I Would Wish For

Angela Bofill

Some people wish for different things every day
Everybody wants to have his own way
Well the what am I gonna do, what am I gonna do
'Cause if I had just one wish, just one wish
The only thing I would wish for would be to be with you
Would be to be with you

Do boppa do bah do bah do bah
Do boppa do bah do bah bah
Bah bah, bah bah
Bah bah, bah bah

Some people want candy castles in the sky
Some people wish to live and never die
Well then what am I gonna do what am I gonna do
'Cause if I had just one wish, just one wish
The only thing I would wish for would be to be with you
Would be to be with you

Do boppa do bah do bah do bah
Do boppa do bah do bah bah
Bah bah, bah bah

Do boppa do bah do bah do bah
Do boppa do bah do bah

'Cause if I had just one wish, just one wish
The only thing I would wish for would be to be with you
Would be to be with you

Do boppa do bah do bah do bah
Do boppa do bah do bah bah
Do boppa do bah do bah do bah
Do boppa do bah do bah bah
Do boppa do bah do bah do bah
Do boppa do bah do bah bah...
