

This Is the Start

Angela Bofill

This is the start (This is the start)
Can you feel it in your heart? (This is the start)
Time to begin (Time to begin)
Start it up again (Start it again, start it again)

This is the start (This is the start)
And it's time to play the part (This is the start)
Our time to win (Our time to win)
We should never let it in (Start it again, start it again)

The time is right for a party
Won't you just shout it out? (Shout it out)
Spread the word around
That you can bring a friend

You
Don't need an invitation
Right up the block
Look for the house
Where the people rock

And say: "Here we go again"
Again

This is the start (This is the start)
Can you feel it in your heart? (This is the start)
Time to begin (Time to begin)
Start it up again (Start it again, start it again)

This is the start (This is the start)
And it's time to play the part (This is the start)
Our time to win (Our time to win)
We should never let it in (Start it again, start it again)

Now that we are together
I predict we'll have so much fun
That you'll forget the clock

Let your mind, mind, mind
Get lost inside the music
Turn it up, so we can feel the beat
And don't you ever stop

'Cause here we go again
Again

This is the start (This is the start)
Can you feel it in your heart? (This is the start)
Time to begin (Time to begin)
Start it up again (Start it again, start it again)

This is the start (This is the start)
And it's time to play the part (This is the start)
You know it's time to begin (Time to begin)
Start it out again (Start it again, start it again)

And since this magic will last you

Until we meet again (This magic will last you)
Keepin' your heart
We're never apart
There's always a place
Where you can count

And since this magic will last you
Until we meet again (This magic will last you)
Keepin' your heart
We're never apart
There's always a place
Where you can count

This is the start (This is the start)
Can you feel it in your heart? (This is the start)
Time to begin (Time to begin)
Start it up again (Start it again, start it again)

This is the start (This is the start)
And it's time to play the part (This is the start)
You know I've got to begin (Time to begin)
Start it out again (Start it again, start it again)

This is the start (This is the start)
Can you feel it in your heart? (This is the start)
Now it's time to begin (Time to begin)
Start it up again (Start it again, start it again)
