

C'est Toi (It's You)

Angela Winbush

It's you, uh
C'est toi, uhh
Oh, um, ooh
De, hey, uh, ooh

I said you're my only inspiration
Don't you know
I'll never let the sweet sensation slip away

I said you take me higher than a bird could ever fly
High, high, high
You spark that energy that keeps my dreams alive
Ooh
Never let them die

Others tried to catch my eye
But they didn't know
No other love can match my guy
He knows how to follow through

You're my only imagination
Don't you know
I'll never let the sweet sensation slip away
You're my inspiration, baby

You give me all that I can handle
And it's real
I found my treasure
You let me know how good, good can really feel
My pleasure

Others tried to catch my eye
But they didn't know what to do
No other love can match my guy
He knows how to follow through

You're my only imagination
Don't you know
I'll never let the sweet sensation slip away
You're my inspiration, baby

No, no, no, no
De, hey

C'est toi! (Uhh)
It's you (Uhh)
C'est toi! (Uhh)
It's you (Uhh)
C'est toi
Pout mai
C'est toi pout mai
(Ooh)
C'est toi
Ooh, la, la, la, la, la

Oh, oh
I said

Ooh, yeah
I said you, yeah

You're my only inspiration
No, no, yeah
It's you
You're c'est toi
C'est toi
C'est toi, uhh
La, la, la, la

C'est toi
Pour moi
Et moi pour toi
La, la, la, la
C'est toi
Pour moi
Et moi pour toi
C'est toi
Ooh, la, la, la, la, la

Oh
You're my only inspiration
I'll never let the sweet sensation slip away
