

It's the Real Thing

Angela Winbush

(Let's do it)
Real thing, boy, well

It's the real thing
Just hold on tight and make it last
Hold on tight and make it last
It's the real thing
Hold on tight and make it last

Oh, you can't imitate or duplicate it, no
When it's real love, it's a one-of-a-kind thing, yeah
It's a [?] love thing
It's yours to take, yeah
Whatever you need boy
You can have it anytime, well

It's the real thing
Just hold on tight and make it last
Hold on tight and make it last
It's the real thing, yeah
Just hold on tight and make it last
(Wanna say it again)

Make no mistake this ain't no fake love
It's the real deal
And it's on the one, yeah
It's not complicated, it's a feelin'
And ain't nothin' like it, when all is said and done, well

It's the real thing
Just hold on tight and make it last
Hold on tight and make it last
It's the real thing
Just hold on tight and make it last
(Wanna talk about it)

It's the real thing
I got a good thing
He's a fine thing
Just want you to know that
It's the real thing
He's my thing
I'm gon' hold on tight and make it last
Oh, it's a real thing
