

## Squirrels

Angelmaker

Your bones are shattered into worthless pieces of dust  
as I beat you senseless this is  
what happens when you fuck with me!

Now you'll see what you have unleashed  
When you fuck around show some respect  
or you'll be 6 feet underground  
Bitch that's where u belong so rot in the ground

Now you all will see  
What I mean when I say  
There will be a consequence to your actions  
You've fucked with me  
For the Last time you die tonight

I watch you scream and plead  
As I strike you down onto your knees

Watch as I cut deeper through your neck  
Karmas a bitch that you fucked for the last time

I want to see you bleeding  
Crimson fluid dancing madly  
As I sever through your chest  
Rippin out your heart in detest

Your divine deception  
wont save you from the end  
I see you rotting down into your  
Hole!

I'll fuckin' make you suffer  
As I take the life right from you  
SUFFER!

This is your fate  
There's no saying sorry  
it's too late for that!
