

# All To The Wind

Angelo De Augustine

When the light revealed the dream  
Opened the door  
Hoping to lean  
And I gave my own life  
And I gave it all to the wind

All for love  
Gave that a try  
Head on the floor  
Most of the time  
And I gave my own life  
And I gave it all to the wind

Love  
Loving is a new part of  
And up until today, I seemed to get away  
I, I can see the stars above  
Swirling around to say  
Out went the light  
As I leapt through the door  
And I followed it home  
And I didn't know why  
I didn't know why

All the nights I'd been afraid  
Living life just to fade away  
But all the light laying in your eyes  
Left me stunned in a pale surprise  
Woke up within that morning just to turn back time  
And get back in line

Her old man's driving the whip  
Too much to bear  
Rolled up a spliff  
And I gave my own life  
And I gave it all to the wind

Quite the type to treat you unkind  
And take all your love  
Most of the time  
And I gave my own life  
And I gave it all to the wind

Love  
Loving is a new part of  
And up until today, I seemed to get away  
I, I can see the stars above  
Swirling around to say  
Out went the light  
As I leapt through the door  
And I followed it home  
And I didn't know why  
I didn't know why

All the nights I'd been afraid  
Living life just to fade away  
But all the light laying in your eyes

Left me stunned in a pale surprise  
Woke up within that morning just to turn back time  
And get back in line
