

I Hope That All Of Your Dreams Come True

Angelo De Augustine

In our home
We come from

You talk to me
I hope that all of your dreams come true
You talk to me
I hope that all of your dreams come true

Dreams have left me off balance
I hope you stay the same
Back on the floor
Searching for clouds that came before

Ride ride on
Greet new dawns

You talk to me
I hope that all of your dreams come true
You talk to me
I hope that all of your dreams come true
