

## Old Hope

Angelo De Augustine

I'm waiting for  
You to come down  
From the high  
That you found  
I'm waiting for  
You to let go  
And find your old hope

It was the best piece of you  
That came in from the rain  
It was the best piece of love  
That came in to say

I'm waiting for  
You to come down  
From the high  
That you found  
I'm waiting for  
You to let go
