

I'll Be Your Man

Angelo Kelly

Lately, I've be thinking
about us two
What we're gonna do
Where we're gonna lead to, lead to

Cause baby I am realizing
How lucky I am
I know I'm not a man
I'm gonna do the best i can

I'll be your man (you will be my man)
Will you be my woman (I will be your woman)
And I'll lend you a hand (I will take your hand)
When you're running to a problem

I'll be your man (you will be my man)
Will you be my woman (I will be your woman)
And I'll lend you a hand (I will take your hand)
When you're running to a problem

Just give me a little time
Give me a little time

Baby when I'm slleeping
My dreams are filled with you
Sometimes think I am with you
Then I wake up seeing it ain't true

So I put on my stereo
And love songs begin to fly
I look at your picture and start to cry
That's when I know I'll love you until i die

I'll be your man (you will be my man)
Will you be my woman (I will be your woman)
And I'll lend you a hand (I will take your hand)
When you're running to a problem

I'll be your man (you will be my man)
Will you be my woman (I will be your woman)
And I'll lend you a hand (I will take your hand)
When you're running to a problem

Laj laj laj laj laj laj
Laj lja laj

I'll be your man (you will be my man)
Will you be my woman (I will be your woman)
And I'll lend you a hand (I will take your hand)
When you when you're running to a problem

I'll be your man (you will be my man)
Will you be my woman (I will be your woman)
And I'll lend you a hand (I will take your hand)
When you're running to a problem

Just give me a little time

Give me a little time
