

# If You Love Me

Angelo Kelly

I remember the night  
I fell down on my knees and prayed  
I will not forget your eyes  
I will not forget your smile  
You struck me like a thunder  
And left me without a chance, oh I

If you love me tonight  
Come on and say it  
If you love me tonight  
Come on and show it  
If you love me tonight  
Come on and say it  
If you love me tonight  
Come on and show it

We were the best of friends  
But all along I just wanted more  
Cause everytime when I see you  
I'm endlessly in love for sure  
This game is taken to long  
Tell me if I'm right or I'm wrong, oh yeah

If you love me tonight  
Come on and say it  
If you love me tonight  
Come on and show it  
If you love me tonight  
Come on and say it  
If you love me tonight  
Come on and show it

Hey-yeah

If you love me tonight  
Come on and say it  
If you love me tonight  
Come on and show it  
If you love me tonight  
Come on and say it  
If you love me tonight  
Come on and show it (show me)

If you love me tonight  
Come on and say it  
If you love me tonight (oh no)  
(Co-) Come on and show it  
If you love me tonight (you have to honey, no)  
Come on and say it  
If you love me tonight  
Come on and show it
