

Let Go

Angelo Kelly

Sweet baby boy
How was your day
Don't know what's on your mind
Before we'd talk we shared it all
Now you call your friends and that's fine
Oh dear mama
I need some space
You gotta understand
Soon i'll be gone
Got my own plans
I'll be a grown up man
Have to let go, let go
Until you come back to me
Until you come back to me
Have to let go, let go
Until you come back to me,
until you come back to me
Oh my dear son
I know it's not easy to understand
a Mothers heart
Not too long ago you were just a baby
Now you're off to see the world
Oh sweet mama
A whole new world has opened up to me
I'm not afraid to make mistakes
Soon i'll be home with thee
Have to let go, let go
Until you come back to me
Until you come back to me
Have to let go, let go
Until you come back to me,
until you come back to me....
