

Peaceful Home

Angelo Kelly

Gabriel:

I get some wood,
And bring out all the garbage,
Then I'll play, with my friends outside,
I could ask, ask for nothing more,
A peaceful home is what we all wish for.

Helen:

I help my mom,
Clean up all the dishes,
And sometimes,
She lets me cook instead.
I like to spend, the whole day by the shore,
A peaceful home is what we all wish for.

Chorus:

So we try, try and do our best.
Every day, it works a little more.
For the Lord, fills us with his grace,
A peaceful home is what we all wish for.
A peaceful home is what we all wish for.

Emma:

I take good care,
Of my baby brother,
Help him learn,
How to walk around.
When he sleeps, it's easy to adore,
A peaceful home is what we all wish for.

Chorus:

So we try, try and do our best.
Every day, it works a little more.
For the Lord, fills us with his grace,
A peaceful home is what we all wish for.
A peaceful home is what we all wish for.
A peaceful home is what we all wish for.
