

Slow down

Angelo Kelly

In a race, that can't be won
In a World, word that can't be sung
Where brothers see eye to eye
Where sisters choose to live their lives

How is want get rid of nothingness
All we know is so much emptiness

If we just, slow down just a little
Slow down just a little
Slow down just a little
We might find
If we just, slow down just a little
Slow down just a little
Slow down just a little
We might find

Life is good, and don't cost a thing.
And keep your soul and keep every thing.
All the money, wont give any love
The poor down below, the rich up above

How is want get rid of nothingness
All we know is so much emptiness

If we just, slow down just a little
Slow down just a little
Slow down just a little
We might find
If we just, slow down just a little
Slow down just a little
Slow down just a little
We might find

There is more to life
There is more if we just

Slow down just a little
Slow down just a little
Slow down just a little
we might find
If we just, slow down just a little
Slow down just a little
Slow down just a little
we might find

Slow down just a little
Slow down just a little
Slow down just a little
We might find
Slow down just a little
Slow down just a little
Slow down just a little
We might find
