

You Should Know

Angelo Kelly

Yes I know that I've hurt you,
And that I often forget.
To share with you what I'm feeling,
To express my regret.
I've been working so hard,
And my mind has been some place else.
You should know that I love you,
And that I always will.

Your eyes, your lips,
That smile, those hips.
A mother, a friend,
My loved one, 'till the end.
To have you, as my wife,
Is to truly feel, alive.
You're beautiful, you're strong,
So fragile, and pure.
Those tears, fall down,
On my hands, to the ground.
A look, so strong,
This can't be wrong.

So here we are close to midnight,
In each others arms.
You should know that I love you,
And that I always will.
