

Rebel Girl

Angels & Airwaves

If you want to dance my love
My little rebel girl
Come a little closer now
And let me in your world
Sometimes it's a lonely cause
So I just make believe
If you're gonna take a chance
Then take a chance on me

Do you want to go back to where we started
Back before we were broken hearted
Come my way, come-come
I gotta tell ya
The shoe fits
My little Cinderella

Every little thing you do is like a tidal wave
A fire deep within those eyes
The kill is so cliché
Dance my little Rebel Girl
And show me how you move
Let me take you in my arms
And into the back room

Do you want to go back to where we started
Back before we were broken hearted
Come my way, come-come
I gotta tell ya
The shoe fits
My little Cinderella

Do you want to go back to where we started
Back before we were broken hearted
Come my way, come-come
I gotta tell ya
The shoe fits
My little Cinderella

I'm lost in nerves, I can't recover
I die inside, unlike any other
Come my way, come my little girl
Come back...

Do you want to go back to where we started
Back before we were broken hearted
Come my way, come-come
I gotta tell ya
The shoe fits
My little Cinderella

Do you want to go back to where we started
Back before we were broken hearted
Come my way, come-come
I gotta tell ya
The shoe fits
My little Cinderella
