Dance with the wolves, wrestle with the pitbulls

For fistfuls of dollars and cents, we empty pistols

Dance with the wolves, wrestle with the pitbulls

For fistfuls of dollars and cents, we empty pistols

We'll stick you for your shine

Hustle, nickle for a dime

Trouble, this you're gonna find

Muscle, if you wanna grind

Struggle, digits on the mind

Couple, figures for the crime

Scuffle, fists or with the nine

Bubble, living on the line (line line line)

Cocaine, cocaine!

Weapons blast

Cocaine, Cocaine!

Let it blast

Cocaine, cocaine!

Weapons blast

Dance with the wolves, wrestle with the pitbulls

For fistfuls of dollars and cents, we empty pistols
