Angerfist

De saamhorigheid van de gabbers is gewoon terug godverdomme!
Come on!

(Angerfist! Angerfist!...) (?X)
Anger anger!
(Angerfist! Angerfist!...) (?X)

Here I come with bones by the sack for spraypaint
I tag my f-ing name on your back, punk
(?X)
Break out your charts and scales and try to rate me
Give me a one, son, yep I hope you hate me
(Angerfist! Angerfist!...) (?X)
Yep yep yep yep, I'm the masta

Here I come

Here I come with bones by the sack for spraypaint
I tag my f-ing name on your back, punk
(?X)
Break out your charts and scales and try to rate me
Give me a one, son, yep I hope you hate me
(Yep I hope you hate me...)
(Angerfist! Angerfist!...) (?X)

Yo Germany!
And now it's time for the first live performance
But before we start with this shit
I wanna see some fists in the air
Come on!
When I say Anger you say fist!
Anger anger!
When I say Anger you say fist!
Anger anger!
When I say Anger you say fist!
Anger anger!
When I say Anger you say fist!
Anger anger!
Yo masters of Hardcore, make some fuckin' noise for the Angerfist!

Come on!

When I say Anger you say fist!
Come on!

It's the man with the mad new styles and funky poems
Angerfist Angerfist!
It's the man with the mad new styles and funky poems
Angerfist Angerfist!

Break out your charts and scales and try to rate me
Give me a one, son, yep I hope you hate me
