

## Cold War

Anggun

Cold war  
Between what's wrong and right  
What's in my head  
What's in my heart

Voices whisper softly  
Trying to convince me  
Choices what should I pick  
Play safe or challenged by tricks

Cause it's a cold war  
Between what's wrong and right  
What's in my head  
What's in my heart

Cold war  
And it's been going on  
I let it stay  
Until it's gone

Captured but I can't give in  
Doubts won't go through my skin  
Ruptured of my soul and my mind  
Thin lines to be defined

And it's a cold war  
Between what's wrong and right  
Things that I need  
Things that I want

Cold war  
And it's been going on  
What should I do  
Before it's gone

What's in my head  
What's in my heart
